Combustible trash	Tuesdays and Fridays														
Plastic container packaging	Wednesdays														

Tuesdays and Fridays

※Please use designated trash bags.

※Although April 29th (Tue), May 6th (Tue), September 23rd (Tue), and March 20th (Fri) are national holidays, burnable waste will be collected. Collection will continue until December 30th (Tue) at the end of the year, and will start on January 6th (Tue) in the new year.

Wednesdays

※Please use designated trash bags.

※Collections are not made on national holidays.

※Collection will continue until December 24th (Wed) at the end of the year, and start on January 7th (Wed) in the new year.

Garbages including unsuitable items will not be collected, and will be marked with a "Non-acceptable" sticker. Please separate it again and discard with the same bag.

Plastic containers and other plastic

※ Please use this designated trash bag.

Plastic products bearing mark only.

[Buckets]

[Hangers]

[Polypropylene band]

[CD/DVD cases]
(※CDs and DVDs are burnable)

[Plastic Spoons, Forks and Straws]

[Colorless bottles] [Brown color] [Bottles with other]

※ Please rinse out the inside of empty cans or otherwise remove dirt before putting them out.
※ If you are unsure, please contact the "Japan Aerosol Association".
※ Please remove non-metallic objects (e.g., vinyl parts of umbrellas).
※ Items that cannot be removed, such as the handles of pots and knives, should be removed without removing them.

Cap
Labels
Plastic Containers and Packaging

※ Notes
① Remove caps and labels then rinse inside.
② Do not crush or break bottles.
③ Caps and labels are disposed as Plastic containers and packages.

[Trays]

[Bags for snacks]

[Cushioning materials]
(Styrofoam, Bubble wrap, etc.)

● Notes
① Empty and rinse inside before discarding.
② If the stain is unremovable, discard them as Combustible trash.
③ Never insert mobile batteries or other ignitable materials.
④ Even if there is no 'plastic mark', product plastic packaging is included.

● Notes
① Pure plastics that do not fall under the category of plastic containers and packaging plastics, such as plastic products, are eligible for this program.
② Composites with metals and other materials are not included.
③ Please remove dirt before disposing of them.

[Wood chips]
※ Less than 30 cm long, and less than 10 cm wide.
(Wood chips, Wooden board, Garden plants, Fallen leaves, Tree branches, etc.)

[Leather products]
※ Less than 30 cm long.
(Leather shoes, Leather bags, etc.)

[Others]
※ Less than 30 cm long.
(Diapers, Sanitary products, Disposable hand warmer, Gel packet, Paper clay, Crayon, etc.)

● Notes
① Please rinse out the inside of empty cans or otherwise remove dirt before putting them out.
② Spray cans should be removed only after the contents have been completely used up.
③ Please remove non-metallic objects (e.g., vinyl parts of umbrellas).
④ Items that cannot be removed, such as the handles of pots and knives, should be removed without removing them.

Rechargeable batteries and button batteries cannot be disposed of at garbage collection stations as they may catch fire. Please see reverse side for processing instructions.

※ Notes
Do not break the items.

Potteries, Mirrors, Glasses
● Rice bowls, Planters, Glass bottles for cosmetic products, etc.
