

We are encouraging community collection service for Recyclable trash

In order to support voluntary efforts by citizens toward waste reduction and recycling activities, Kato City aids communities that collect recyclables as a group.

Items are four kinds such as Recyclable Papers, Clothes, Metals, Glass bottles.

※ If you would like to newly start a community collection service, please contact a phone number below.
(Kato City hall 生活環境課)

Recyclable trashes are...

News papers, Magazines, Cardboards, Paper cartons, Recyclable papers (Paper boxes, Paper bags, Envelops, Copy papers, etc.), Aluminum wares, Metals, Glass bottles for alcohols, Used clothes, etc.

Note 1 For papers, tie items with strings by each types.
Note 2 For clothes, metals, bottles, rinse items and remove stains.
Note 3 For paper cartons, rinse and dry items and open.

Recyclable paper trash

Please dispose to community collection service for these items same as magazines.

Envelops and Post cards
※Delete personal information and materials other than paper.

Paper boxes
※Remove materials other than paper such as plastics or metals.

Flyers (Except inserts of news paper)
※ You can dispose inserts with news papers.

Paper bags and wrapping papers
※Remove materials other than paper.

Separate miscellaneous paper waste, put it in a paper bag, and discard. *If you have no paper bags, you can tie the miscellaneous paper waste with string or put it in a transparent bag

Non-recyclable paper trash

Paper stained with food, oil, soap, cosmetic or incense sticks. Thermosensitive foamed sheet (Braille paper, etc.), Carbon paper, Pressure sensitive copying paper, Iron print paper, Thermal paper (Receipts, etc.)
